Enjoy Deluxe SERENA SAFARI LODGES and a remarkable tented camp experience

February 25 to March 8, 2017

From approximately \$7955 plus international air

During this 12-day journey of a lifetime, observe one of Earth's greatest natural spectacles by land and air—the best way to experience a safari in Tanzania. Travel into the majestic grasslands of Africa's premier safari destination during the annual Great Migration of vast herds of wildebeest, zebra, gazelle and Cape buffalo—and see wildlife including elephant, lion, cheetah and leopard. Visit four of Tanzania's finest game parks—Lake Manyara, Tarangire and the UNESCO World Heritage sites of the Serengeti and Ngorongoro Crater—for spectacular game drives. Enjoy a unique perspective over Tanzania's plains when you fly from Arusha to Serengeti National Park and from Tarangire National Park to Arusha aboard a privately chartered aircraft. Stay in deluxe Serena Safari Lodges and a comfortable tented camp in Tarangire. An expert curator illuminates human prehistory at Oldupai Gorge, where the Leakey family famously discovered 1.8-million-year-old human fossils. This exceptional travel value includes all accommodations, chartered flights in Tanzania, game drives and most meals.
