New Zealand and the Circumnavigation of the South Island

aboard the Exclusively Chartered, Small Ship
Five-Star LE LAPÉROUSE

February 11 to 23, 2020

Dear Alumni and Friends,

Kia ora!

Journey with us on this 10-night, custom-designed and exclusive itinerary of New Zealand featuring a circumnavigation of the South Island to experience inimitable natural history that exists nowhere else on Earth. Cruise the awesome UNESCO World Heritage-designated Fiordland National Park and board Zodiacs for up-close views of nature's sheer magnificence—glacier-cut fiords, cascading waterfalls, valleys hung with *kapua whakapipi* (cumulus clouds)—in spectacular Milford Sound, Dusky Sound and Doubtful Sound, named by Captain James Cook. Cruise pristine Queen Charlotte Sound and visit the world-famous Marlborough wine region for a specially arranged tasting of its acclaimed Sauvignon Blanc. Enjoy the magnificent harbour city of Auckland and an adventure to the bucolic Northland country to learn more about the important national tradition of sheep farming. Experience the genuine and uniquely friendly nature of New Zealand “Kiwis” and the rich Māori culture while admiring the exceptional scenery simply everywhere.

Cruise aboard the exclusively chartered, state-of-the-art, Five-Star LE LAPÉROUSE, featuring the world's first multisensory underwater Observation Lounge, *Blue Eye*. This elegant and intimate small ship with only 92 Suites and Staterooms can cruise into small ports and sounds inaccessible to larger vessels and alter course for marine life sightings. The onboard team of expert naturalists will share their knowledge of New Zealand's extraordinary natural beauty during Zodiac excursions and onboard lectures.

You can choose to participate in the specially designed pre-program extension to the dynamic world-class city of Sydney, Australia, or the post-program extension to New Zealand's Southern Alps and remarkable Queenstown, further enhancing your journey.

This singular itinerary includes the rare opportunity to circumnavigate the South Island and captures the essence of New Zealand's natural beauty, natural history and natural wonders. It is an outstanding value featuring specially negotiated, exclusive airfares at considerable cost savings. Reserve now as Early Booking Savings apply and space is limited.

Haere rā!

Sincerely,

Surrounded by and Circumnavigating Natural Beauty ♦ Natural History ♦ Natural Wonders

Experience the natural wonder of each new day as it dawns first in Aotearoa (New Zealand), due to its proximity to the International Date Line.

Enjoy New Zealand's natural history, from the verdant pastures of the Northland beyond Auckland on the North Island to the fiordlands at the tip of the South Island. Experience fantastic scenery—majestic glaciers, cavernous valleys, towering fiords, glacial lakes, rugged coastlines, snow-capped mountains and plummeting waterfalls. Visit the UNESCO World Heritage site of Te Wāhipounamu, encompassing 10% of the country and the world's most intact ecosystem dating from prehistoric Gondwana. See southern beech trees and coniferous podocarps, some 800 years old. Look for kiwi, takahē, kea and Hector's dolphin, all found only in New Zealand.

Less than a thousand years ago, Polynesians migrated here followed by Dutch, English and French explorers, all embracing the natural beauty of the islands and cultivating the rich volcanic soil. Immerse yourself in the unique Māori heritage and enjoy firsthand the friendly Kiwi culture—a distinctive merging of the tangata whenua (indigenous) and Pakeha (European) traditions.
